PROOF for GOD

LOGIC.

F1. It is **impossible to cross an infinity**.

--- temporal, causal, contingent

.

D1. Therefore, there must be a

--- (a) **First-Cause**, and therefore, an

.

--- (b) Ontologically **Self-Sufficient Being**, whose existence is NOT externally caused.

.

--- (c) First-Cause, and therefore **NON-contingent Being**, and therefore Necessary Being,

--- (d) First-Cause, whose action is **NOT externally-triggered**, and therefore

--- (e) First-Cause, whose action is **internally-chosen**, and therefore

--- (f) First-Cause, that is a **Volitional Cause**, and therefore

--- (g) First-Cause, that is a MIND,

.

--- (h) that created ALL of Contingent Reality,

--- (i) including Physical Reality.

.

D2. The MIND with the characteristics (A-I) listed above, is God.

--- I.e., In Philosophical Theism, we use the word "God" to refer to that mind that is proved to exist in P2 above.
